

As we wind down the school year we have some awesome students who are a part of LBC. Many of them will not brag and would be uncomfortable to be mentioned but just know that we have students who excelled academically and also in their respective sports and extra-curricular activities. Many of our students are leaders in their school and have carried an extra load of responsibility this school year. When you see our students around church this month make sure you congratulate them on their success.

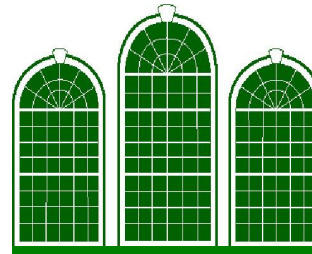

As we get to the summer if you are going to Camp this year please note that the rest of the money is due on or by June 20. See Cheryl Hamilton for the latest balances in your Fund Raiser accounts.

We are planning to have some Bible Studies over the summer for the youth so please stay tuned for more info. There will be one for the rising High School, one for rising 7th-8th graders and then one for the rising 6th graders.

Please continue to pray for the Youth Ministry and everyone in it!

JUNE

ISSUE 05

Greetings Lebanon Church Family,

As we head into June, it is hard to believe that another school year will be completed. Time continues to fly by. As we head into summer there are a few things worth noting.

During the month of June we will begin our Kids for Christ program on Wednesday night. I hope that you will bring your children so that they can learn more about what it means to walk with Christ. We have leaders for both our older children and our younger children.

On Sunday nights during June we will continue our SURGE program training. The training about assimilation will be on Sunday night June 6. On June 13 we will break into groups to discuss ideas people have developed during the Sunday night sessions. Finally, on June 27 we will provide a summary of ideas discussed on June 13. I pray that you will be involved in this process in June and in the coming months.

One of the biggest events of the year is Vacation Bible School from 6-9 PM on June 21-25. We will have a celebration of VBS on Sunday morning June 27 during our worship service. Please plan to support this activity and invite children to come. Historically this is the biggest evangelistic opportunity in Southern Baptist life.

As we head into the summer I pray that everyone will have safe travels on their family vacations. In July we will begin our Family Fellowship Nights.

Blessings,
John Campbell

1st Commandment --- Love the Lord your God with all your heart.....

2nd Commandment --- Love your neighbor as you love yourself.....

These commandments are at the top of the list --- are we really listening?

Can you see the common denominator????? **LOVE!!**

We are all striving to be more Christ-like, however we cannot grow without the interaction of church and community. We all must be involved in both. Remember the above commandments --- it's all about love, loving God and loving others.

Are you living the statement "How much pleasure am I getting out of life" or are you living the statement "How much pleasure is God getting out of my life"?

Life is not about us we were created by God for God!

Knowing what you should do in the eyes of God is worthless if you do not have the conviction or motivation to actually do the work.

From the Purpose Driven Life by Rick Warren:

"People with "me-first" faith ask, "How can God make my life more comfortable?" They want to use God for their purposes instead of being used for his purposes. 'God-first' believers know they've been saved to serve and made for mission. They're eager to receive a personal assignment and excited about the privilege of being used by God. Their joy, confidence, and enthusiasm are contagious because they know they're making a difference. They wake up each morning expecting God to work through them in fresh ways. Which type of believer do you want to be?

God invites you to participate in the greatest, largest, most diverse, and most significant cause in history - building his Kingdom. History is His story; He's building His family for eternity. Nothing matters more and nothing will last as long.

From the book of Revelation we know God's global mission will be accomplished, that someday the Great Commission will be the *Great Completion*. In heaven, an enormous crowd of people "from every race, tribe, nation, and language" will one day stand before Jesus Christ to worship Him. (Revelation 7:9, CEV)

Becoming a 'God-first' believer will allow you to experience in advance a little of what heaven will be like."

Are you part of the problem or the solution?

Yours in Christ,

Keith Boone and Chris Pickett

"Think Missions"

We collected \$6037 for Annie Armstrong.

We also collected \$662 for the Baptist Children's Home Food Drive. They can really use all the help they can get.

For the month of May the Jean Dickman group collected items for the migrant workers kits.

For the month of June the Jean Dickman group will collect infant items for the Agape House.

Our church family is very mission minded and more than willing to help others. May God bless our church and help us to continue to support organizations that spread His word and help those in need.

Thank you for all your help and support and may God bless you all.

THE GOLDEN CULB

The Golden Club met on Tuesday, April 6 with 11 members and 2 visitors present.

Mrs. Lib Webb opened with prayer and Norma Jane Gray gave our devotion from Hebrews.

A discussion followed on upcoming trips and officers for next year were elected.

Shirley McLaurin closed in prayer and we journeyed to Cracker Barrel in Sanford for lunch and on to Fearington Village near Chapel Hill for a tour of sight seeing and fellowship.

Com join us in May for another amazing place to visit

Sandra McDaniel

The Golden Club met on Tuesday, May 4 with 10 members present.

The Minutes and Treasury report were read and approved.

Sue Fipps opened with prayer and Norma Gray led our devotion from Matthew 26 on stress. This is something that each of us seem to have at one time or another. We all need to know who we can call on when our lives are filled with stress. Maybe we just need to read Matthew 26 over again.

After a brief discussion and what we could do for absent club members and those unable to attend regularly, Joe McDaniels dismissed in prayer. We then got on the bus and traveled to Ft. Fisher to visit the Aquarium. We stopped along the way for a seafood lunch.

Hope you who are in retirement years will join us to encourage each other and a time of fellowship and fun. We meet on the 1st Tuesday at 9:00 am of each month unless otherwise stated.
