AUGUST

ISSUE 08

Greetings Lebanon Church Family,

As we head into August there are some things to get excited about and pray about around Lebanon Baptist Church. First, we have 32 people scheduled to go to Richmond to help the Movement Church on a mission trip from August 12-14. Everyone can contribute to this mission by bringing school supplies and praying for our team before they leave and until they return. The team will give an update on the trip on Sunday night August 15 as part of our Family Fellowship Nights. Next, our construction committee will be meeting with an architect to get drawings to secure a bid on a Family Life Center to be located behind the church where the playground currently is located. Be in prayer for the committee over the next few months as this project moves forward. Also be in prayer for the Capital Campaign Committee as they work on how we can pay for this project.

Near the end of July I had the opportunity to go to the Cove just outside Asheville, NC to hear Tony Evans preach on Returning to the Cross. I was reminded of the great sacrifice and grace that God has shown us. This grace is not just for a once in the lifetime moment of salvation, but God's grace is sufficient for providing the best possible life now regardless of my circumstances. We should live everyday relying on the power of the Cross and spending time with Savior that provides us our best life now and in the future through all eternity.

Blessings,
John Campbell

We have returned from camp and it was GREAT!!!! The theme for the camp was "Defining Moments." We looked at character traits that define us as Christians. The youth saw each other in a different light after spending a week with one another and discovered that "Hey there are some pretty awesome people in this youth group." We had some good things come out of this week; one of them is that the youth are getting a praise band together to play in church and for the youth. One Sunday you may notice that the musicians are all under twenty!

We are getting ready for the new school year and for the 6th graders to join for the first time officially on Aug.18. Sixth graders you will be getting a letter later on in the month to let you know about that.

Please be in prayer for this upcoming school year; not only the students but the parents, teachers, administrators, and anyone else who will impact the lives of our youth.

In His steps...

Tim

THE GOLDEN CLUB

The Golden Club met at the fellowship hall July 6, 2010 with 14 members present.

Mrs. Lib Webb welcomed everyone and opened our meeting with prayer.

The minutes and treasurer's report were read and approved.

Norma Jan Gray gave our devotion on "Patience."

We discussed the Pigeon Forge trip and the need of bus drivers to help drive to different events.

Joe McDaniel dismissed us with prayer and we boarded the bus for Seagrove Pottery. Lunch was enjoyed by all at McDonalds.

Come join us the 1st Tuesday of each month for Christian fun and fellowship.
